Section 5 Ofsted Inspection-Pheasey Park Farm Primary School- 24th and 25th May 2016

We are delighted that our school has been graded as **good and improving** in all areas of its work with Inspectors clearly stating that:

....the Governing Body, Head Teacher and Senior Leaders have a strong drive towards excellence.....

.....there is strong capacity for further improvement...

Ofsted

- We are particularly pleased that inspectors have noted that good and better teaching by teachers and support staff across the school has led to significantly improved progress for our children.
- We are equally pleased that pupils' personal development has been recognised as strong and that behaviour has been noted as exceptionally good.
- Outcomes have been recognised as good and rising and it is our intention that this rapid drive towards excellence will continue so that we are recognised as outstanding at our next inspection.

Mission Statement

- *Our Vision is to develop a learning community where all children enthusiastically participate, excel and are proud of their achievements across the curriculum.*

Our Aims and Values

To learn well a child needs to be:

- * safe and secure
- * motivated and interested
- * actively involved in the learning process
- * able to see the purpose of the learning

A child will get the best from education if:

- * she/he attends school/Early Years Centre regularly
- * his/her efforts are valued and supported
- * she/he is able to attain achievable targets
- * she/he is rewarded for successes
- * she/he is encouraged at home

Section 49 and 50 Ofsted Inspection

Pheasey Park Farm Early Year's Centre - 2nd December 2022

We are delighted that our Early Years Centre was graded as **good** in all areas of with Inspectors clearly stating that:

Staff have high expectations for all children, and their needs and interests are a priority. Children are encouraged to follow routines and join in with group activities when they are ready to do so.

Children are happy and thrive in this caring and nurturing setting. They develop strong bonds with their key person and make positive relationships with their friends. Children take part in activities that teach them new skills.

Children experience communication-rich mealtimes. They chat to their friends and staff members as they slice their fruit at snack time. Children explore a variety of tastes and textures and comment on their likes and dislikes.

Children with special educational needs and/or disabilities (SEND) are supported by a caring team and receive additional support at appropriate times.

Managers have a strong ambition for the setting. Since the last inspection, they have worked particularly hard on developing partnerships with parents. Partnerships with parents are very strong.

The School Day

The doors open at 8:40 am when children can enter the school.
