Curriculum Information

Year 2 Autumn Term 1 2023

Subject	What are we learning?	How you can help at home
English	<p>In English this half term we are looking at the book 'The Lighthouse Keeper's Lunch' and a range of poetry. We are focussing on instructions, character descriptions, story retells and poetry. We are consolidating our phonics knowledge, use of capital letters and full stops and are learning how to use a range of sentence starters and adjectives to support our writing.</p> <p>Reading books will be changed each week.</p>	<p><u>Reading</u> Please hear your child read at home at least five times a week. Ask questions which encourage your child to draw inferences about characters' feelings, thoughts, emotions and actions. Please help your child to read every night and record on the GoRead App. Bedtime reading advice available at www.theschoolrun.com</p> <p><u>Spellings</u> Please help your child practise their spellings several times a week. Regular practise at home makes such a difference. These will be assessed every Tuesday.</p> <p><u>Online Learning</u> Please encourage your child to explore Oxford Reading Buddy, Purple Mash and Education City throughout the week too.</p>
Phonics	<p>The children who did not pass the Phonic Screening Check in Y1 will continue with daily Phonics lessons. Children will be working on Phase 4, 5 and 6 which will involve recapping the phonemes including diagraphs and trigraphs. Children will be using the phonemes to write</p>	<p>Please hear your child read at home at least five times a week. The books that your child will be issued with are books containing the phonemes that he/she is confident with. Children will have weekly Phonics/English homework. Please help your child to complete this. Provide opportunities at home for your child to write e.g. writing a shopping list, birthday cards and recounts of places they have been.</p>

	<p>sentences and will be learning how to form graphemes correctly. Phonics lessons involve segmenting and blending sounds and children will be issued with reading books containing the phonemes they are confident with. The children who did pass the Phonics Screening check in Y1 will continue with Phonics lessons but will also have more focus on grammar and punctuation.</p>	
Maths	<p>This half term we will be looking at number and place value, addition, subtraction, multiplication, division and fractions. We will be partitioning numbers into tens and ones both practically and pictorially. We will then be using this knowledge to help support our addition and subtraction of 2-digit numbers with another number. We will also look at multiplication and division practically and pictorially. When learning about fractions, we will be finding fractions of shapes</p>	<p>Please encourage your child to practise their times tables using TTRockstars. This will help prepare them for their weekly Superheroes challenge in school.</p> <p>Please encourage your child to frequently access the Numbots app to develop efficient mental calculation strategies for addition and subtraction.</p> <p>It would be helpful if you could work on number recognition with numbers up to 100 and number formation. You can also help your child by trying to write numbers as words and vice versa.</p> <p><u>Online Learning</u></p> <p>Your child can explore MyMaths, TopMarks, Times Tables Rock Stars and Numbots on the links below:</p> <p>https://www.mymaths.co.uk/</p> <p>https://www.topmarks.co.uk/</p> <p>https://play.ttrockstars.com/</p> <p>https://play.numbots.com/?#/game/game-mode</p>

PHEASEY PARK FARM PRIMARY SCHOOL AND EARLY YEARS CENTRE

	as well as using the sharing method to find $\frac{1}{2}$ and $\frac{1}{4}$ of numbers.	
Science	In our Science lessons we will be learning about the basic needs of humans for survival, including the importance of exercise, nutrition and good hygiene. Children will also learn how human offspring grow and change over time into adulthood.	Whilst preparing evening meals, discuss with your child the importance of healthy eating and encourage them to talk about which of the five food groups are part of the meal. Encourage your child to engage in physical activity rather than having lots of screen time.
History	We will be exploring and describing how the town of Whitby has changed over time due to geographical processes, such as erosion, or human activity, such as housebuilding. We will also be describing aspects of everyday life from the past, such as houses, jobs, shops, objects, transport and entertainment, and how they may be similar or different to those used and enjoyed by people today.	You could look online for a map of the local area from the past and the present. Talk to your child about the changes that they notice between the human and physical features between the two maps, that highlight how the local area has changed over time.
Geography	We will be focussing on our locational knowledge by	Whilst out in the environment, explore the human and physical features that you see. Discuss what makes them human or physical. Practise the compass directions by directing the children from one place to another.

PHEASEY PARK FARM PRIMARY SCHOOL AND EARLY YEARS CENTRE

	<p>exploring on a world map the world's seven continents and five oceans. We will then be looking in more detail at the United Kingdom, in particular the seaside town of Whitby. We will identify human and physical features, use simple compass directions and work on our map skills identifying symbols and using keys.</p>	
<p>Art & Design</p>	<p>This half term, our Art and Design topic is called 'Flower Head'. This project teaches children about the visual elements of flowers, including shape, texture, colour, pattern and form. We will also explore various artistic methods, including drawing, printmaking and 3-D forms, using paper and clay.</p>	<p>While out for a walk in the local area, you and your child could observe the flowers that you see. Engage in discussion about the shape, texture, colour and patterns of the flowers. You could take a plain pad of paper with you for your child to make a sketch of the flower, or you could bring a flower home to complete this activity.</p>
<p>Design Technology</p>	<p>In our Design and Technology topic 'Beach Hut', children will be learning about making and strengthening structures, including different ways of joining materials.</p>	<p>You could encourage your child to take part in craft sessions at home. They could design and make a house for one of their toys using different materials, taking into consideration different ways of joining them together.</p>

<p>Computing</p>	<p>In Computing this half term, we are focussing on using technology safely and respectfully and how it is important to tell a trusted adult about any concerns or worries they have. We will also discuss the importance of keeping our personal information private including passwords for school sites such as Purple Mash and Education City.</p>	<p>Practise logging on to the computer using their school log in. Also, practise logging onto school sites such as Purple Mash and Education City. This will really benefit the children when completing their computing lessons.</p>
<p>PE</p>	<p>During their Indoor PE slots, the children will focus on Contemporary Dance. This will be delivered by Sports Plus. During Outdoor Games, the children will focus on throwing and catching and inventing their own games using equipment. PE Days: Monday and Friday</p>	<p>Please make sure your child has full P.E kit in school for the whole half term. Please make sure all items are clearly named. Jewellery is not allowed. Long hair should be tied back. For safety reasons, NO earrings are allowed.</p>
<p>Swimming</p>	<p>Rules and safety procedures will take place during the first week back to swimming, as will a short assessment of swimming ability, this allows children to be placed into the correct ability lane group.</p>	<p>Please remember all children will need a swimming costume/trunks, swimming hat and towel please. Please make sure all these items are clearly labelled. NO goggles are allowed.</p>

PHEASEY PARK FARM PRIMARY SCHOOL AND EARLY YEARS CENTRE

	<p>Strokes will continue to be developed, water skills will also be improved these include floating and headfirst sculling.</p> <p>Swimming Day: Thursday</p>	
RE	<p>Our topic for this half term is 'Beginning to learn from Islam' (Part 1). We will be learning about different Muslim beliefs and the Prophet Muhammad (PBUH). We will also be exploring Muslim stories, discussing the morals of them and considering how they influence Muslims' ideas of right and wrong.</p>	<p>You could support your child in finding other examples of Muslim stories on the internet and discussing what the moral of the stories are.</p>
PSHE	<p>This half term our topic is called 'New Beginnings'. We will discuss how we can make a safe and fair learning environment for all in our class. We will then look at how we are similar and different, our strengths and explore a range of different emotions including feeling scared or sad. We will explore these areas through a range of</p>	<p>Please discuss different emotions, how these make us feel and ways that we can deal with them. On https://www.bbc.co.uk/bitesize there are some lovely videos which discuss different emotions and how to deal with them, which you could watch with your child.</p>

PHEASEY PARK FARM PRIMARY SCHOOL AND EARLY YEARS CENTRE

	age-appropriate stories, videos and discussions.	
Music	<p>In Music this half term the children will start learning how to play the glockenspiel. They will use their knowledge of a stave and clef to help them identify the notes to play. They will play along to a backing track, keeping in time with the music and playing the correct notes. As the term progresses the children will also sing along to the music keeping together as a group.</p>	<p>To help your child you can try keeping in time with the music by tapping along to a beat and singing along to familiar songs or rhymes.</p>
German	<p>This half term the children will complete an introduction to German. They will explore and practise saying greetings in German and learn about other languages that may be spoken in their class. Children will sing songs and participate in partner discussions using the phrases they have been taught. They will explore the capital city of Germany, its flag and traditional clothes.</p>	<p>Ask your child about the words they have been learning in German and try to practise using them at home. Also, discuss the German flag and the colours that appear on it.</p>
