Wednesday, 24th November 2021

Dear Parents and Carers,

Year 2 – Positive Cases of COVID-19

Due to positive cases across Year 2 last week, Public Health requested that all children in Year 2 were taken for a PCR test. There have now been an additional two cases in Year 2, both asymptomatic children, and therefore Public Health have asked us to request that if you did not take your child for a PCR test at the weekend that you now book a test for them. Please remember that an LFT is not sufficient when an individual is considered a close contact. There are a number of local, easily accessible, walk in or drive through test centres. We would appreciate your support with this matter to help us keep everyone as safe as possible.

Please can we remind all parents to be vigilant to the symptoms of COVID-19 including the wider ailments that have been highlighted as possible symptoms.

COVID-19 symptoms are;

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste

Wide symptoms include:

- Shortness of breath or unexplained fatigue
- Diarrhoea, nausea and vomiting
- Headache that lasts a long time
- Myalgia (muscle aches or full body pains)
- Sore throat
- Blocked or runny nose

If you are unsure and require advice, please contact either 111, 119 or Public Health on 01922 658065.

We will continue with our class bubbles along with good ventilation across the school and our enhanced cleaning regime.

Thank you for your support.

Yours sincerely,

Mrs S. Arnold
Head Teacher
