Dear Parents and Carers,

### Year 5 and Year 6 children attending Whitemoor Lakes

We have today sent a letter reminding all parents to be vigilant to the symptoms of Covid-19, particularly as we approach the winter months.

This is particularly pertinent to Year 5 and Year 6. We have had a small number of children across the school test positive or display symptoms of Covid-19 this week. With many of our Year 5 and Year 6 pupils being on a residential trip to Whitemoor Lakes this week, they will have had closer contact with each other than normal due to sleeping arrangements. As many of the activities were outside and groups kept as consistent as possible, the risk remains low.

We have spoken to Public Health and although they have said there is no action for us as a school, we wanted to inform parents of children that have been on the residential to be particularly vigilant to any symptoms. We do think it would be advisable for children who attended Whitemoor to take a lateral flow test as a precautionary measure and Public Health have agreed to endorse school advising parents to do this.

We have had many positive comments from parents about this trip which we thank you for. It was an amazing experience for the children that went and they were able to take part in activities which they may not otherwise have been able to do.

Thank you for your support.

Yours sincerely,

Mrs S. Arnold  
Head Teacher
