Dear Parents and Carers,

### Eco Schools: Litter

This week, children have taken part in an assembly based on the topic of Litter. This is one of the five topics that we will be focusing on next academic year as part of our Eco Schools work. The aims of the assembly were to inform pupils about the negative impact that litter can have on the environment and ways in which we can help reduce the problem, including recycling as much as possible and putting non-recyclable waste in the bin.

During the assembly, pupils were also informed about how we can all contribute to improving the environment by conducting a litter pick. Health and safety advice was shared about actions to take if conducting a litter pick, including using a litter picker or wearing latex gloves to pick up litter and of course, washing their hands with soap afterwards.

Please encourage your child to conduct a small litter pick during the summer holiday. Take a photograph of your child litter picking and send it to [postbox@pheasey.org.uk](mailto:postbox@pheasey.org.uk). All photos submitted will be used to create a litter display in school to showcase pupils taking care of the environment, whether that be locally or nationally, for those of you that may be fortunate enough to have holiday plans for the summer.

Thank you for your continued support.

Yours sincerely,

Mrs C. Fereday  
Eco Schools Coordinator
