KEY STAGE 2 SATs
9th - 12th May 2022

March 2022

Dear Parents and Carers,

You will already be aware that your child is preparing for the End of Key Stage Standard Assessment Tests (SATs). These tests will take place during the week of 9th - 12th May 2022.

The next few weeks leading up to these tests are very important and we would urge 100% attendance and punctuality during this crucial time. All appointments (doctors, dentists, hospital and so forth) should be rearranged.

We would also recommend, as always, that you ensure your child has early nights throughout the week (and in the days leading up to the tests) and eats a healthy breakfast on each of the test days.

All Year 6 children are invited to join us at 8:15 am each morning of SATs week for our Breakfast Club. A more detailed letter will be sent out in due course.

On the next page is a timetable of the tests your child will be taking during the week; please remember that this year the week begins with the English Grammar and Punctuation tests. When not taking tests, we aim to keep the timetable as normal as possible. Relaxation sessions will be available from 9th - 12th May 2022 at lunchtimes with Mrs Wilcox and Miss Zentani. Further information will be provided nearer the time.

These tests are based on what the children have been taught throughout their time in Key Stage 2 and are not designed to trick them.

If you would like to speak to someone regarding the SATs then please do not hesitate to contact a member of Year 6 Staff. Please note that the power point from the SATs Workshop for parents (January 2022) is located on the Learning Platform. This contains examples of the types of questions that your child will have to answer and links to sample tests similar to those which your child undertook at the start of this half term. We kindly ask that these are not used with your child as we will be using them in school.

At Pheasey Park Farm Primary School we believe that if your child is to succeed in these vital tests then he/she will need your support with our programme of work.

Thank you for your continued support.
