Dear Parents and Carers,

Global Citizenship Week

This week we are focusing on Global Citizenship in our Key Stage SEAL Assemblies and your children will be learning about the 17 Global Goals agreed on 25th September 2015 by the United Nations to end extreme poverty and improve our world by 2030.

Global citizenship education (GCED) is a form of civic learning that involves students' active participation in projects that address global issues of a social, political, economic, or environmental nature.

There are six domains:

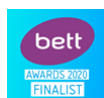

- Environmental Stewardship
- Human Rights
- Gender Equity
- Good Governance
- Global Peace and Justice
- Poverty Reduction

In order to further promote the Global Goals, Eco Committee are asking that either an informative leaflet is created about one of the Global Goals explaining what the Goal is and what can be done to help achieve it or a poster is created promoting being a 'Climate Action Super Hero.'

The 17 Goals are included with this letter and further information can be found at:
<https://www.globalgoals.org/>

Leaflets and posters should be completed on paper and then returned to school by Friday, 20th May 2022. A selection of leaflets/posters will then be displayed around school.

Yours sincerely,
Eco Committee and Mrs Welter
