**KEY STAGE 2
MULTIPLICATION
TABLES CHECK
13th - 16th June 2022**

March, 2022

Dear Parents and Carers,

Your child is preparing for End of Y4 Multiplication Tables Check (MCT) which will take place between 13th June 2022 - 16th June 2022.

These checks are taken by all Year 4 children and are designed to assess whether children can recall their times tables fluently, which is essential for future success in Mathematics.

We would appreciate regular attendance during this time. If possible all holidays, dental/hospital appointments should be re-arranged.

We urge you as always to ensure that your child has early nights throughout this time and eats a healthy breakfast before coming to school.

Please be aware that these checks are based on times tables up to and including the multiples of 12.

If you would like to speak to your child's class teacher regarding Times Tables then please do not hesitate to contact a member of Year 4 Staff.

At Pheasey Park Farm Primary School we believe that if your child is to succeed then they will need both yours and our continued support in this programme of work.

Visit this link for further guidance for parents:
