Dear Parents and Carers,

Further information for Parents and Carers - Condover Hall Residential

As you are aware, the Year 4 residential visit to Condover Hall is taking place on Tuesday 3rd May to Wednesday 4th May.

Children should arrive at school at 8:40am on Tuesday, 3rd May directly into the KS2 Hall. Children should bring their luggage into School with them and wear clothes ready to start activities as soon as they arrive at the venue. The kit list for the trip has again been added to the end of this letter and is also available on the School Website. It is important that children bring the correct clothing in order for them to be able to access all of the activities. Children cannot wear jeans, leggings, shorts or skirts when taking part in activities for health and safety reasons. It is recommended that jogging bottoms are worn.

Coaches will depart from Wimperis Way on Tuesday, 3rd May at 10:30am. On Wednesday, 4th May coaches will return to School at approximately 2:30pm, we will update parents via text. Children can be collected from the KS2 Hall as soon as they return to school, or at normal dismissal time and Minimax will also be available after school as normal if necessary.

You will be sent regular updates via texts whilst the children are away. Please ensure the office have your most up to date number. Children will not be able to ring home during the residential and we ask parents not to contact the venue.

Children should bring a packed lunch, in a carrier bag, which they will eat at the venue on Tuesday, 3rd May. All other meals will be provided by the venue. There will be different food options at meal times and allergies/specific dietary requirements will be catered for. Please note that all allergies/specific dietary requirements that parents included on the Well Being Microsoft Form have been forwarded to the venue. Children should all bring a named water bottle with them and this will be filled up regularly during the trip.

There is a small shop and children can bring up to £5 (in coins) to buy a souvenir such as a mug or a torch. This should be in a named envelope/purse as these will be collected in by School staff prior to leaving school and will be distributed at the appropriate time.

For children who require medication during the visit, parents must complete a medical authorisation form for each medication required (e.g. antibiotics, inhalers, allergy medicine). The form and the medication should be given to a member of staff who will be in the hall when the children arrive on the Tuesday morning. The medication and the medication authorisation form should be put into a clear, sealable, plastic food bag. Medication authorisation forms are available from the School Office or can be downloaded from the School Website within Parents - Forms.

Parents have already completed well-being and emergency information forms however should any of the information provided change prior to the visit, please contact the School Office immediately.

If you have any additional questions that were not answered at the parent meeting on Monday, or have not been answered in this letter, please email postbox@pheasey.org.uk and a member of staff will contact you.

Yours sincerely,

Mrs N. Willis
