Dear Parents and Carers,

'Change Your Mind' Basic First Aid Workshop

In collaboration with Queen Mary's Grammar School peer education programme and Walsall School Nursing, Year 6 will be taking part in a 'Basic First Aid' workshop.

'Basic First Aid' is a compulsory aspect of *Health Education* provision which Primary schools need to cover, in line with statutory guidance from the Department for Education.

We are delighted that a group of students from Queen Mary's Grammar School will be delivering a session virtually to the year group on Tuesday 18th January. Children will remain in class bubbles for the virtual session.

The session will last approximately one hour and will cover: What to do in an emergency; CPR; Choking; Allergic reactions; Asthma attacks and Common injuries.

We are sure it will be very useful and informative for children.

Yours sincerely,

N Wilcox
