

LIVING WITH COVID 19

April 2022

Pheasey Park Farm Primary School and Early Years Centre

Significant Hazards	Persons Affected	Risk	Controls	Risk Rating	Further actions needed	
					Y	N
COVID 19	Pupils Staff Visitors	Infectious	There is no longer any requirement for staff or pupils to carry out regular asymptomatic testing in mainstream schools	MED		✓
Positive COVID Test	Pupils Staff	Infectious	From 1 April 2022, anyone with a positive COVID-19 test result will be advised to try to stay at home and avoid contact with other people for five days , which is when they are most infectious. For children and young people aged 18 and under, the advice will be three days.	MED		✓
COVID Infections	Pupils Staff Visitors	Infectious	All settings should have in place baseline infection prevention and control measures that will help to manage the spread of infection: <ul style="list-style-type: none"> • Ensuring all eligible groups are enabled and supported to take up the offer of national vaccination programmes including COVID-19 and flu. • Ensuring occupied spaces are well-ventilated and let fresh air in. • Reinforcing good hygiene practices such as hand washing and cleaning. 	MED		✓
Local Outbreaks	Pupils Staff	Increased infections	Contact with Local Health Protection Team to monitor and manage local outbreaks Contingency plans in place for limited teaching staff Secondary school staff and pupils will be able to access free COVID tests when responding to public health advice.
