Dear Parents and Carers,

### COVID-19 Update for parents

Please can we remind all parents to be vigilant to the symptoms of COVID-19 including the wider ailments that have been highlighted as possible symptoms. We have recently seen an increasing number of children who are presenting as having tummy upsets who are then going on to test positive for Covid 19.

#### COVID-19 symptoms are;

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste

#### Wide symptoms include:

- Shortness of breath or unexplained fatigue
- Diarrhoea, nausea and vomiting
- Headache that lasts a long time
- Myalgia (muscle aches or full body pains)
- Sore throat
- Blocked or runny nose

If your child has shown symptoms and been absent from school, we would be reassured if a negative lateral flow test was obtained before returning to school.

If you are unsure and require advice, please contact the School Office, the NHS on either 111, 119 or Public Health on 01922 658065.

Thank you for your ongoing support.

Yours sincerely,

Mrs S. Arnold  
Head Teacher
