Dear Parents and Carers,

## Home Learning for Music - Year 4

I'm pleased to inform you that we are now in a position to trial home learning in Music during the current lockdown.

Your child's log on details along with instructions on how to access this provision via Charanga will be emailed to the parental email address we hold on file.

Once you have logged your child into the provision, they should be able to see a unit of work entitled Y4 Spring 1. In this, children will find a selection of songs based around a theme, in this case ABBA, that they can listen to, with questions to think about. There will also be various games, a song to learn and some improvisation activities. If children still have their recorders, there are also some activities that they can use their recorder for at home, including learning to play a song and using their recorder and voice in a performance.

This unit is designed to cover the whole half term and can be accessed and worked through as many times as the children wish. This flexibility means that children can complete the activities at their own pace and as often as they like.

Before we roll this out to the rest of the school, we would like to get feedback on how easy the site is to use and how useful and enjoyable the activities are for the children. A discussion thread will be set up on the Year 4 page to allow parents and pupils to let school know how they've found this experience.

I would appreciate it if you could comment on this by Friday 22<sup>nd</sup> January so that, if successful, we can roll it out across the whole school.

Many thanks for your continued support.

Yours sincerely,

Mr T. Orbell

Music Co-ordinator
