Monday 12th October 2020

Dear Parents/Carers,

World Food Day Poster Competition

This week in school, pupils in Years 1 - 6 will engage in an assembly about World Food Day. World Food Day is a global annual celebration that takes place on 16th October, prompting global awareness and action for those who suffer from hunger and for the need to ensure healthy diets for all. During the assembly, pupils will learn about the purpose of World Food Day and will be thinking about 'food heroes'; The world is full of food heroes - from farmers to drivers, shop assistants, food bank volunteers and government representatives who, despite various challenges, such as the current COVID-19 pandemic, work hard to make sure that food makes its way from farms to our table. The assembly will also provide the opportunity to introduce the Eco Committee to the school community following pupils' recent success in being elected for the role of an Eco Warrior.

The Food and Agriculture Organisation of the United Nations, who are the organisers of World Food Day, are holding a competition for children aged 5-19 years old to design a poster to illustrate their food hero at work. If your child wishes to participate in the competition, you will need to submit their entry on the website <http://www.fao.org/world-food-day/contest/en/>. The submission deadline is Friday 6th November 2020. Terms and conditions for the competition can be found on this website.

The Eco Committee also request that you email a photograph of your child's poster to postbox@pheasey.org.uk as we would like to celebrate pupils' efforts by displaying their work on the Nureva Board.

Thank you for encouraging your child to participate.

Yours sincerely,

Mrs C. Fereday
Eco Coordinator
