Early Years Centre

Monday, 7th September 2020

Dear Parents,

School Day

I am writing to thank all parents for your support and patience with our start to the new term.

We are so proud of our children who have settled back into their routines really well.

Our one way system is working well and again we thank you for your support and we may continue with this after half term. Our staggered start and end times are working well and these too will continue.

During this half term we have started programmes of PSHE sessions and welcome back sessions with our children. We have prepared our recovery curriculum and are looking at gaps in learning and the best ways to address identified areas of need.

We understand the difficulties that our early closure on a Friday may have caused for parents and we have worked really hard to find an alternative. As a result, we have completed a review of our cleaning progress and we are delighted to inform you that we are now in a position to be able to remain open on a Friday afternoon with effect from this week - **Friday 11th September**.

We have reviewed the cleaning processes in school and have put additional measures in place throughout the day, in particular in classrooms, toilets and dining rooms and we are happy that we can provide the safest possible environment for the children and staff. We are also appointing additional cleaning staff to work in school. Therefore, dismissal times on a Friday for all year groups will be the same as they are during the rest of the week with effect from this week.

If you are an existing user of Minimax, any Friday sessions you have booked will be automatically credited. The Early Year Managers will be in touch with you shortly regarding a refund if you were not an existing user of Minimax.

Please note half term is from **26th to 30th October**. School will be closed to pupils during this week however our Early Years Centre is open.

Thank you for your support.

Yours sincerely,

Mrs S. Arnold
Head of School
